

THANK YOU

As a sixth form college at the heart of this community, we would like to extend our sincere thanks to all our neighbours for your continued patience, understanding and support throughout the year.

Your cooperation plays an important role in helping us provide a positive learning environment for our students while remaining a considerate and responsible neighbour.

We value the strong relationship we share with the local community and are committed to open communication, mutual respect and ongoing improvement.

We would particularly like to thank residents for:

- Your understanding during busy periods, such as exam seasons and college events
- Your patience at the start and end of the college day
- Your support in helping us reinforce positive behaviour beyond the college gates

Your feedback and cooperation make a real difference, and we are grateful for the role you play in supporting young people in our area.

STUDENT CONDUCT AND COMMUNITY RESPECT

We actively encourage our students to be respectful, considerate, and safe members of the wider community.

This includes expectations around:

- Noise levels when entering and leaving the site
- Respect for private property
- Safe and responsible use of local streets and public spaces

Our staff regularly reinforce these expectations

UPCOMING EVENTS

LOOKING AHEAD

We remain committed to being a positive presence in the neighbourhood and welcome opportunities to strengthen our links with local residents.

If you are interested in future community initiatives, events or partnerships, we would love to hear from you.

Thank you once again for your continued support. We look forward to another successful year working together.

With best wishes,
The Sixth Form College Leadership Team
